About this guide

Welcome to your Bupa Select membership guide

At **Bupa**, **we** know that insurance can be hard to follow. That's why **we** have made this guide as simple as possible. You will find individual chapters that deal with each aspect of your **Bupa** cover, including a step-by-step guide to making a claim.

Please make sure that you keep this guide somewhere safe. You will need it when you come to claim.

If any of the terms or language used leave you confused – don't worry, **we** have also included a glossary featuring clear definitions of words that are in **bold italic** in the text.

If you require correspondence and marketing literature in an alternative format, we offer a choice of Braille, large print or audio. Please get in touch to let us know which you would prefer.

How do I know what I'm covered for?

The precise details of the cover **you** have chosen are listed on your **membership certificate**. Please read this membership guide together with your **membership certificate**, as together they set out full details of how your health insurance works.

How does the membership guide work with my membership certificate?

Your rules and benefits

Effective from 1 January 2020

These are the rules and benefits of Bupa Select

They apply to members of the *scheme* whose 'Group contract start date', as stated in the Group details section of their *membership certificate*, is on or after the 'Effective from' date.

Words and phrases in *bold italic* in this membership guide are defined terms which have a specific meaning. You should check their meaning in the glossary.

Important note

Please read this note before you read the rest of this membership guide as it explains how this membership guide and your membership certificate work together.

This Bupa Select membership guide and your *membership certificate* together set out full details of your *benefits*. They should not be read as separate documents.

This membership guide is a generic guide. It contains the general membership terms that apply to all Bupa Select members. It also contains all the elements of cover that can be provided under Bupa Select. **You may not have all the cover set out in this membership guide.** It is your *membership certificate* that shows the cover that is specific to your *benefits*. Any elements of cover in this membership guide that are either:

- shown on your *membership certificate* as 'not covered', or
- do not appear on your *membership certificate*

you are not covered for, and you should therefore ignore them when reading this membership guide.

The 'Further details' section of your membership certificate: Your *membership certificate* could also show some changes to the terms of cover set out in this membership guide particularly in the 'Further details' section.

When reading this membership guide and your *membership certificate*, it is your *membership certificate* which is personal to you. This means that if your *membership certificate* contradicts this membership guide it is your *membership certificate* that will take priority.

Always call the helpline if you are unsure of your cover.

How your membership works

The agreement between the sponsor and us

Your cover is provided under a group insurance policy governed by the **agreement** and the terms and conditions of your membership have been agreed between your **sponsor** and **Bupa**. There is no legal contract between you and **us** for your cover under the **agreement**. Only the **sponsor** and **Bupa** have legal rights under the **agreement**. However:

- if **you** are a **contributing member you** will have legal rights as set out in this membership guide. Please see the section 'Contributing members'
- if **you** are not a **contributing member we** allow you access to the claims and complaints processes as set out in this membership guide.

The documents that set out your cover

The following documents set out the details of the cover **we** will provide for you under the **agreement**. These documents must be read together as a whole, they should not be read as separate documents.

- **The Bupa Select membership guide:** this sets out the general terms and conditions of membership (including exclusions) and all the elements of cover that can be provided under Bupa Select.
- **Your membership certificate:** this shows the cover that is specific to your **benefits**, including the underwriting method applied, the limits that apply, any variations to the benefits, terms or conditions explained in this membership guide and whether an **excess** or **co-insurance** applies to your cover and if it does, the amount and how it applies.

Payment of benefits

We only pay **benefits** for **treatment** you receive while you are covered under the **agreement** and **we** only pay **benefits** in accordance with the cover that applies to you on the date the **treatment** takes place. **We** do not pay for any **treatment**, including any **treatment we** have pre-authorized, that takes place on or after the date your cover ends.

When you receive private medical treatment you have a contract with the providers of your **treatment**. You are responsible for the costs you incur in having private **treatment**. However, if your **treatment** is **eligible treatment we** pay the costs that are covered under your **benefits**. Any costs, including **eligible treatment** costs, that are not covered under your **benefits** are your sole responsibility. The provider might, for example, be a **consultant**, a **recognised facility** or both. Sometimes one provider may have arrangements with other providers involved in your care and, therefore, be entitled to receive all the costs associated with your **treatment**. For example a **recognised facility** may charge for **recognised facility** charges, **consultants'** fees and **diagnostic tests** all together.

In many cases **we** have arrangements with providers about how much they charge **our** members for **treatment** and how **we** pay them. For **treatment** costs covered under your **benefits we** will, in most cases, pay the provider of your **treatment** direct – such as the **recognised facility** or **consultant** – or whichever other person or facility is entitled to receive the payment. Otherwise **we** will pay the **main member**. **We** will write to the **main member** or **dependant** having **treatment** (when aged 16 and over) when there is an amount for them to pay in relation to any claim (for example if they have an **excess** amount to pay) and who payment should be made to.

Please also see the section 'Claiming'.

When your membership starts, renews and ends

Starting membership

Your membership under the **agreement** must be confirmed by the **sponsor**.

Your cover starts on **your cover start date**.

Your dependants' cover starts on their **cover start date**. **Your cover start date** and **your dependants' cover start date(s)** may not be the same.

Cover for a newborn baby

If the **sponsor** agrees, **you** may apply to include **your** newborn baby under **your** membership as one of **your dependants**. If your baby's membership would be as:

- an **underwritten member**, **we** will not apply any **special conditions** to the baby's cover
- a **moratorium member**, **we** will not apply the exclusion for **moratorium conditions** to the baby's cover – see Exclusion 33 in the section 'What is not covered'

but only if both the following apply:

- **you** and/or **your partner** have been covered under the **scheme** (and if applicable a **previous scheme**) for at least 12 continuous months before the baby's birth and
- **you** include **your** baby under **your** membership within three months of the baby's birth.

In which case if **we** agree to cover **your** baby it will be from their date of birth or **your cover start date** if their date of birth is before **your cover start date**.

Renewal of your membership

The renewal of your membership is subject to the **sponsor** renewing your membership under the **agreement**.

If you are a **contributing member** please see the section 'Contributing members'.

How membership can end

You or the **sponsor** can end **your** membership or the membership of any of **your dependants** at any time.

If **you** want to end **your** membership or that of any of **your dependants** **you** must write to **us**. If **your** membership ends the membership of all **your dependants** will also end.

If you are a **contributing member** please see the section 'Contributing members'.

Your membership and that of **your dependants** will automatically end if:

- the **agreement** is terminated
- the terms of the **agreement** say that it must end
- the **sponsor** does not pay subscriptions or any other payment due under the **agreement** for you or any other person. If you are a **contributing member** please see the section 'Contributing members'.
- **you** stop living in the **UK** (**you** must inform **us** if **you** stop living in the **UK**), or
- **you** die.

Your dependants' membership will automatically end if:

- **your** membership ends
- the terms of the **agreement** say that it must end
- the **sponsor** does not renew the membership of that **dependant**
- that **dependant** stops living in the **UK** (**you** must inform **us** if that **dependant** stops living in the **UK**), or
- that **dependant** dies.

If there is reasonable evidence that **you** or a **dependant** did not take reasonable care in answering **our** questions (by this **we** mean giving false information or keeping necessary information from **us**) then if this was:

- intentional, **we** may treat **you** or (if applicable) **your dependant's** cover as if it never existed and refuse to pay all claims
- careless, then depending on what **we** would have done if **you** or they had answered **our** questions correctly, **we** may treat **you** or (if applicable) **your dependant's** cover as if it never existed and refuse to pay all claims (in which case **you** may need to repay any claims **we** have paid and if **you** are a **contributing member** **we** will return to the **sponsor** any subscriptions **you** have paid in respect of **you** or (if applicable) **your dependant's** cover), change **you** or their cover, or **we** could reduce any claim payment.

When **your** membership or **your dependants'** membership ends, **we** may be able to offer **you** or them continuation of membership on a **Bupa** personal policy as an ex-group scheme member depending upon how long **you** or they have been a **Bupa** group scheme member.

- If **you** or they are an **underwritten member** this would allow you or them to transfer without any additional **special conditions**
- If **you** or they are a **moratorium member** this would allow **you** or them to transfer without a change to the **moratorium start date** that applies to **you** or them under the **Bupa** group scheme

but only if, in each case, **you** or they transfer within three months of the date **your** or their cover under the **Bupa** group scheme ends without any break in **your** or their cover. If **you** would like to consider this option please call **0800 600 500** to discuss it with **us**. **We** may record or monitor **our** calls.

Paying subscriptions and other charges

The **sponsor** must pay to **us** subscriptions and any other payment due for **your** membership and that of every other person covered under the **agreement**. Bupa Insurance Services Limited acts as **our** agent for arranging and administering **your** policy. Subscriptions are collected by Bupa Insurance Services Limited as **our** agent for the purpose of receiving, holding and refunding premiums and claims monies.

If you are a **contributing member** please see the section 'Contributing members'.

Making changes

Changes to your membership

The terms and conditions of your membership, including your *benefits*, may be changed from time to time by agreement between the *sponsor* and *us*.

No other person is allowed to make or confirm any changes to your membership or your *benefits* on *our* behalf or decide not to enforce any of *our* rights. Equally, no change to your membership or your *benefits* will be valid unless it is specifically agreed between the *sponsor* and *us* and confirmed in writing.

How will we deal with your complaint and how long is this likely to take?

If **we** can resolve your complaint within three working days after the day you made your complaint, **we** will write to you to confirm this. Where **we** are unable to resolve your complaint within this time, **we** will promptly write to you to acknowledge receipt. **We** will then continue to investigate your complaint and aim to send you **our** final written decision within four weeks from the day of receipt. If **we** are unable to resolve your complaint within four weeks following receipt, **we** will write to you to confirm that **we** are still investigating it.

Within eight weeks of receiving your complaint **we** will either send you a final written decision explaining the results of **our** investigation or **we** will send you a letter advising that **we** have been unable to reach a decision at this time.

If you are concerned about this, please contact **us**.

Your complaint will be dealt with confidentially and will not affect how **we** treat you in the future. Following the complaints procedure does not affect your right to take legal action.

The European Commission also provides an online dispute resolution (ODR) platform which allows consumers who purchase online to submit complaints through a central site which forwards the complaint to the relevant Alternative Dispute Resolution (ADR) scheme. For **Bupa**, complaints will be forwarded to the Financial Ombudsman Service and you can refer complaints directly to them using the details above. For more information about ODR please visit <http://ec.europa.eu/consumers/odr>

The Financial Services Compensation Scheme (FSCS)

In the unlikely event that **we** cannot meet **our** financial obligations, you may be entitled to compensation from the Financial Services Compensation Scheme. This will depend on the type of business and the circumstances of your claim.

The FSCS may arrange to transfer your policy to another insurer, provide a new policy or, where appropriate, provide compensation. Further information about compensation scheme arrangements is available from the FSCS on **0800 678 1100** or **020 7741 4100** or on its website at: www.fscs.org.uk

Contributing members

This section only applies to *contributing members*.

The *sponsor* must pay to *us* subscriptions and any other payment due for *your* membership, and that of *your dependants* and every other person covered under the *agreement*. *You* contributing to the cost of subscriptions for *you* and/or any of *your dependants* does not in any way affect the contractual position set out in the section 'The agreement between the sponsor and us'.

Contributions paid by *you* to the subscriptions the *sponsor* has paid for *you* (eg by payroll deduction) will be deemed to have been received by *Bupa* once they are received by *your sponsor*.

As soon as reasonably practicable *you* will be provided with the terms and conditions that will apply to *your* cover, and the *sponsor* will notify *you* of the contribution you will need to make to the cost of subscriptions from the *cover start date* for the next membership *year*.

If you do not want *your* cover (and therefore the cover for *your dependants*) or the individual cover for any of *your dependants* to renew at the *renewal date* you can notify *your sponsor* at any time in advance of the *renewal date*.

If *you* wish to end *your membership* (and therefore that of *your dependants*) the following terms apply:

- *You* may end *your* membership (and therefore the membership of *your dependants*) by informing the *sponsor* within 21 days of either:
 - the date you receive *your* terms and conditions (including *your membership certificate*) confirming your cover, or
 - your *cover start date*

whichever is the later. During this 21 day period if you have not made any claims *we* will refund to the *sponsor* all of the subscriptions the *sponsor* has paid for *you* for that *year*.

After this 21 day period *you* can end *your* membership (and therefore the membership of all *your dependants*) by informing the *sponsor* at any time during the *year*. In which case *we* will refund to the *sponsor* any subscriptions the *sponsor* has paid for *you* that relate to the period after *your* membership ends.

- **You** may end the membership of any **dependant** by informing the **sponsor** within 21 days of either:
 - the date you receive **your** terms and conditions (including **your membership certificate**) confirming the cover for that **dependant**, or
 - the **cover start date** for that **dependant**

whichever is the later. During this 21 day period if no claims have been made in respect of that **dependant** **we** will refund to the **sponsor** all of the subscriptions the **sponsor** has paid for you that relate to that **dependant** for that **year**.

After this 21 day period **you** can cancel a **dependant's** membership by informing the **sponsor** at any time during the **year**. In which case **we** will refund to the **sponsor** any subscriptions the **sponsor** has paid for **you** in respect of that **dependant** for the period after their membership ends.

Your membership and that of **your dependants** will automatically end if the **sponsor** does not pay subscriptions or any other payment due under the **agreement** for **you** or any other person, however, **we** will continue to pay eligible claims for **you** and/or **your dependant** for the period for which you can provide evidence (eg on payslips) that **you** paid contributions to subscriptions to the **sponsor**.

Where **we** have refunded to the **sponsor** subscriptions paid for **you** or **your dependants**, you should contact the **sponsor** in order to obtain a refund of the contributions **you** made to those refunded subscriptions.

Changes to your membership

If:

- any changes to the terms and conditions of your membership, including your **benefits**, are agreed between the **sponsor** and **us**, or
- **we** change the procedure for making a claim

you will be informed before the change takes effect. If **you** do not accept any of the changes **you** can end your membership by informing the **sponsor** either:

- within 28 days of the date on which the change takes effect, or
- within 28 days of **you** being told about the change

whichever is later.

Demands and needs statement

The cover provided under membership of the **scheme** is generally suitable for someone who is looking to cover the cost of a range of health expenses. **We** have not provided you with any advice about your cover and how it meets your individual needs. Please read your **membership certificate** and this membership guide to make sure that the cover meets your needs.

Claiming

Step-by-step guide to making a claim

Being referred for treatment

Your consultation or **treatment** must follow an initial referral by:

- **our** Direct Access service, if you have cover for it as explained in ‘Step 1 Find out if the Direct Access service is available to you’
- a **GP**, or
- another healthcare practitioner. The situations in which **we** will accept such a referral are set out on [bupa.co.uk/referrals](https://www.bupa.co.uk/referrals)

Step 1 Find out if the Direct Access service is available to you

For certain medical conditions you can call **us** directly for a referral to a **consultant**, **therapist** or **mental health and wellbeing therapist** usually without seeing your **GP** and **we** call this **our** Direct Access service. For details about cover for Direct Access and how it works please see the Benefits section in this guide under the heading ‘Direct Access service’ and the ‘Further details’ section of your **membership certificate**.

Step 2 If Direct Access is not available (or if you prefer) – visit a GP for an open referral

Sometimes, when you have had a consultation with another healthcare practitioner before seeing a **GP** and they believe referral to a **consultant** is appropriate, a **GP** appointment may not be clinically necessary. The situations in which **we** will accept such a referral are set out on [bupa.co.uk/referrals](https://www.bupa.co.uk/referrals) or you can call **us**.

Visit a GP, they will assess if you need to see a **consultant**. If they decide that you do, ask them for an ‘open referral’ (unless a paediatric referral is required – see ‘Information about cover for children’ in this Step 2). This allows **us** to offer you a choice of nearby **recognised practitioners** including **consultants** covered under your policy.

Check within the Group Details section of your membership certificate to see if the Open Referral service applies to your **benefits**.

If the Open Referral service does not apply to your benefits: Some **GPs** may prefer to give a ‘named referral’ to a certain **consultant**, however you should call **us** before you make an appointment to confirm that **we** recognise them under your **benefits**, to avoid your being liable to pay.

When you call **us we** will:

- help you find a **fee-assured consultant** or **recognised practitioner** within your local area covered under your **benefits**, and
- confirm the **benefits** available to you under your cover.

If the Open Referral service does apply to your benefits

You must:

- obtain an open referral from a **GP** to ensure that your **treatment** is covered, and to avoid having to return to a **GP** to get an open referral; then
- call **us** to pre-authorise any claim before arranging or receiving any **treatment**. When you call **we** will:
 - help you find a **fee-assured consultant** in **our** list of Open Referral Network **consultants** that applies to your **benefits**
 - help you find a **recognised practitioner** within your local area
 - confirm the **benefits** available to you under your cover.

Important note

Failure to obtain pre-authorisation from **us** means that you will be responsible for paying for all such **treatment** if **we** would not have pre-authorised that **treatment**.

Information about cover for children

It is not always possible for **us** to find you a paediatric **consultant** so when a paediatric referral is required **we** ask that you obtain a named referral from a **GP**.

Some private hospitals do not provide services for children or have restricted services available for children, so **treatment** may be offered at an **NHS** hospital. You can ask **us** about **recognised facilities** where paediatric services are available or you can find them on finder.bupa.co.uk

Where **in-patient** or **day-patient eligible treatment** is required, children are likely to be treated in a general children's ward. This is in line with good paediatric practice.

Step 3 Call us

Simply call the number on your **membership certificate** and **we** will talk you through your options. **We** will explain which nearby **consultants**, facilities and healthcare professionals are covered under your **Bupa** membership and provide you with a pre-authorisation number so your healthcare provider can send the bill directly to **us**.

If your **consultant** recommends further tests or **treatment**, it is important you check back with **us** to obtain further pre-authorisation.

Claims checklist

What you will need to make a claim – to help **us** to make the claims process as simple and swift as possible, please have the following information close to hand when you call to make a claim:

- your **Bupa** membership number
- the condition you are suffering from
- details of when your symptoms first began
- details of when you first consulted a **GP** about your condition
- details of the **treatment** that has been recommended

A Information on claiming

A1 Claims other than Cash benefits

If you are a moratorium member

As a **moratorium member** you are not covered for **treatment** of any **moratorium conditions**. Each time you make a claim you must provide **us** with information so **we** can confirm whether your proposed **treatment** is covered under your **benefits**.

Before you arrange any consultation or **treatment** call **us** and **we** will send you a pre-treatment form to complete. You will need to provide details of the history of the medical condition you are claiming for, including information that you will need to ask your **GP** or **consultant** for.

Your **GP** or **consultant** may charge you a fee for providing a report which **we** do not pay. Each claim you make while you are a **moratorium member** will be assessed on this information and any further information **we** ask you to provide to **us** at the time you claim.

Once **we** receive all the information **we** ask you for **we** will:

- confirm whether your proposed **treatment** will be eligible under your **benefits** and, if so, the medical providers or treatment facilities available to you
- confirm the level of **benefits** available to you, and
- tell you whether you will need to complete a claim form.

If you do not need to complete a claim form **we** will treat your submission of your pre-treatment form to **us** as your claim once **we** are notified that you have received your consultation or **treatment**. In most cases **we** will be notified that you have received your consultation or **treatment** by your **consultant** or the provider of your **treatment**.

If you do need to complete a claim form you will need to return the fully completed pre-treatment form to **us** as soon as possible and in any event within six months of receiving the **treatment** for which you are claiming unless this was not reasonably possible.

If you are not a moratorium member

When you call **us** **we** will:

- confirm whether your proposed **treatment** will be eligible under your **benefits** and, if so, the medical providers or treatment facilities available to you
- confirm the level of **benefits** available to you, and
- tell you whether you will need to complete a claim form.

If you do not need to complete a claim form, **we** will treat your call to **us** as your claim once **we** are notified that you have received your consultation or **treatment**. In most cases **we** will be notified that you have received your consultation or **treatment** by your **consultant** or the provider of your **treatment**.

If you do need to complete a claim form you will need to return the fully completed claim form to **us** as soon as possible and in any event within six months of receiving the **treatment** for which you are claiming unless this was not reasonably possible.

Case management

If **we** believe you are having **eligible treatment** that could benefit from **our** case management support **we** will provide a case manager to help you navigate through your healthcare experience. Your case manager will contact you by phone and will work with you to understand your individual needs and the best way to help you. This can include discussing options available to you, liaising with healthcare professionals and helping you get the most from your policy.

A2 Claims for Cash benefits

For benefits CB1 NHS cash benefit for NHS hospital in-patient treatment and CB6 NHS cash benefit for treatment for cancer

If you are a moratorium member

Call the helpline and **we** will send you a form to complete. You will need to provide details of the history of the medical condition you are claiming for, including information that you will need to ask your **GP** or **consultant** for. Your **GP** or **consultant** may charge you a fee for providing a report which **we** do not pay. Each claim you make while you are a **moratorium member** will be assessed on this information and any further information **we** ask you to provide to **us** at the time you claim.

Once **we** receive all the information **we** ask you for **we** will:

- confirm whether your **treatment** will be **eligible** for NHS cash benefit
- confirm the level of **benefits** available to you, and
- send you a claim form which you will need to take with you to the hospital and ask them to complete the hospital sections. You will need to return your fully completed form to **us** as soon as possible and in any event within six months of receiving your **treatment** unless this was not reasonably possible.

If you are not a moratorium member

Call the helpline to check whether your **treatment** will be eligible for NHS cash benefit. **We** will confirm your **benefits** and send you a claim form which you will need to take with you to the hospital and ask them to complete the hospital sections. You will need to return your fully completed form to **us** as soon as possible and in any event within six months of receiving your **treatment** unless this was not reasonably possible.

For benefits CB2 to CB5

Call the helpline to check your **benefits**. **We** will confirm your **benefits** and tell you whether you need to complete a claim form. You must send **us** either:

- your completed claim form if you need to complete one - in which case you will need to return your fully completed form to **us** as soon as possible and in any event within six months of receiving your **treatment** unless this was not reasonably possible

or

- if you do not need a claim form, a covering letter giving your name, address and membership number together with:
 - for Family cash benefit: a copy of **your** child's birth or adoption certificate
 - for other cash benefits: your original invoices and receipts.

A3 Claims for repatriation and evacuation assistance

You **must** contact **us** before any arrangements are made for your repatriation or evacuation. When you contact **us we** will check your cover and explain the process for arranging repatriation or evacuation and making a claim. From outside the **UK** – or inside the **UK** when your helpline is closed – call **us** on: **+44 (0)131 588 0542**. Lines open 24 hours 365 days a year. **We** may record or monitor **our** calls.

A4 Treatment needed because of someone else's fault

When you claim for **treatment** you need because of an injury or medical condition that was caused by or was the fault of someone else (a 'third party'), for example an injury suffered in a road accident in which you are a victim, all of the following conditions apply when you make such a claim:

- you agree you are responsible for the payment of any costs which may ultimately be recovered from the third party
- you must notify **us** as soon as possible that your **treatment** was needed as a result of a third party. You can notify **us** either by writing to **us** or completing the appropriate section on your claim form. You must provide **us** with any further details that **we** reasonably ask you for
- you must take any reasonable steps **we** ask of you to recover from the third party the cost of the **treatment** paid for by **us** and claim interest if you are entitled to do so
- you (or your solicitor) must keep **us** fully informed in writing of the progress and outcome of your claim
- if you recover the cost of any **treatment** paid for by **us**, you must repay the amount and any interest to **us**.

A5 Other insurance cover

You can only claim for eligible private medical costs once. This means that if you have two policies that provide private medical cover, the costs of your **treatment** may be split between **Bupa** and the other insurance company. You will be asked to provide **us** with full details of any other relevant insurance policy at the time of claim.

B How we will deal with your claim

B1 General information

When **we** have determined that your **treatment** is **eligible treatment**, **we** will discuss your claim with you and issue you with a 'pre-authorisation number' confirming the **treatment** is eligible under your current cover.

You can then contact your **consultant** or healthcare professional to arrange an appointment. **We** recommend that you give them your 'pre-authorisation number' so the invoice for your **treatment** costs can be sent to **us** direct.

Please note: If your cover ends for any reason **we** will not pay for any **treatment** that takes place on or after the date your cover ends – even if **we** have pre-authorised the **treatment**.

Except for NHS cash benefit and Family cash benefit, **we** only pay eligible costs and expenses actually incurred by you for **treatment** you receive.

We do not have to pay a claim if **you** or a **dependant** break any of the terms and conditions of **your** or their membership, which are related to the claim. If there is reasonable evidence that **you** or a **dependant** did not take reasonable care in answering **our** questions (by this **we** mean giving false information or keeping necessary information from **us**) then if this was:

- intentional, **we** may treat **your** or (if applicable) **your dependant's** cover as if it never existed and refuse to pay all claims
- careless, then depending on what **we** would have done if **you** or they had answered **our** questions correctly, **we** may treat **your** or (if applicable) **your dependant's** cover as if it never existed and refuse to pay all claims (in which case **you** may need to repay any claims **we** have paid and if **you** are a **contributing member** **we** will return to the **sponsor** any subscriptions **you** have paid in respect of **your** or (if applicable) **your dependant's** cover), change **your** or their cover, or **we** could reduce any claim payment.

Unless **we** tell you otherwise, your claim form and proof to support your claim must be sent to **us**.

We reserve the right to change the procedure for making a claim. If so, **we** will write and tell the **sponsor** about any changes. If **you** are a **contributing member** please see the section 'Contributing members'.

B2 Providing us with information

You will need to provide **us** with information to help **us** assess your claim if **we** make a reasonable request for you to do so. For example, **we** may ask you for one or more of the following:

- medical reports and other information about the **treatment** for which you are claiming
- the results of any independent medical examination which **we** may ask you to undergo at **our** expense
- original accounts and invoices in connection with your claim (including any related to **treatment** costs covered by your **excess** or **co-insurance** – if any). **We** cannot accept photocopies of accounts or invoices or originals that have had alterations made to them.

If you do not provide **us** with any information **we** reasonably ask you for, **we** will be unable to assess your claim.

Medical reports – when we need more information from your doctor

When **we** need to ask your doctor for more information about your consultation, tests or treatment, **we** will need your permission. **The Access to Medical Reports Act 1988** or the **Access to Personal Files and Medical Reports (NI) Order 1991** give you certain rights, which are:

1. You can give permission for your doctor to send **us** a medical report without asking to see it before they send it to **us**.
2. You can give permission for your doctor to send **us** a medical report and ask to see it before they send it to **us**.
 - You will have 21 days from the date **we** ask your doctor for your medical report to contact them and arrange to see it.
 - If you do not contact your doctor within 21 days **we** will ask them to send the report straight to **us**.

- You can ask your doctor to change the report if you think it is inaccurate or misleading. If they refuse, you can insist on adding your own comments to the report before they send it to **us**.
 - Once you have seen the report, it will not be sent to **us** unless you give your doctor permission to do so.
3. You can withhold your permission for your doctor to send **us** a medical report. If you do, **we** will be unable to see whether the consultation, test or treatment is covered by your policy, and **we** will not be able to give you a pre-authorisation number or confirm whether **we** can contribute to the costs.

In any event you also have the right to ask your doctor to let you see a copy of your medical report within six months of it being sent to **us**.

Your doctor can withhold some or all the information in the report if, in their view, the information:

- might cause physical or mental harm to you or someone else or
- it would reveal someone else's identity without their permission (unless the person is a healthcare professional and the information is about your care provided by that person).

We may be able to pay towards the cost of a medical report. **We** will let you know when **we** ask for your permission to request the report from your doctor. If **we** can pay towards it, you will need to pay any remaining amount.

B3 How we pay your claim

Claims other than Cash benefits: for **treatment** costs covered under your **benefits we** will, in most cases, pay the provider of your **treatment** direct – such as the **recognised facility** or **consultant** – or whichever other person or facility is entitled to receive the payment. Otherwise **we** will pay the **main member**. **We** will write to the **main member** or **dependant** having **treatment** (when aged 16 and over) when there is an amount for them to pay in relation to any claim (for example if they have an **excess** amount to pay) and who the payment should be made to (for example their **consultant** or **treatment** facility).

Claims for cash benefits: **we** pay eligible claims to the **main member**.

Claims for overseas emergency treatment under benefit 9: **we** only pay eligible claims in £sterling. When **we** have to make a conversion from a foreign currency to £sterling **we** will use the exchange rate published in the **UK's** Financial Times on the Monday of the week in which the first day of your **treatment** takes place.

C If you want to withdraw a claim

If, for any reason, you wish to withdraw your claim for the costs of **treatment** you have received, you should call the helpline to tell **us** as soon as possible. You will be unable to withdraw your claim if **we** have already paid your claim.

If you do withdraw your claim you will be responsible for paying the costs of that **treatment**.

D Treatment costs outside the terms of your cover

When you receive private medical treatment you have a contract with the providers of your **treatment**. You are responsible for paying any costs that are not covered under your **benefits**.

E If you have an excess or co-insurance

The **sponsor** may have agreed with **us** that either an **excess** or **co-insurance** shall apply to your **benefits**. Your **membership certificate** shows if one does apply and if so,

- the amount
- who it applies to
- what type of **treatment** it is applied to, and
- the period for which the **excess** or **co-insurance** will apply.

Some further details of how an **excess** or **co-insurance** works are set out below and should be read together with your **membership certificate**.

If you are unsure:

- whether an **excess** or **co-insurance** does apply to you, or
- how your **excess** or **co-insurance** works

please refer to your **membership certificate** or contact the helpline.

E1 How an excess or co-insurance works

Having an **excess** or **co-insurance** means that you have to pay part of any **eligible treatment** costs that would otherwise be paid by us up to the amount of your **excess** or **co-insurance**. By **eligible treatment** costs **we** mean costs that would have been payable under your **benefits** if you had not had an **excess** or **co-insurance**.

If your **excess** or **co-insurance** applies each **year** it starts at the beginning of each **year** even if your **treatment** is ongoing. So, your **excess** or **co-insurance** could apply twice to a single course of **treatment** if your **treatment** begins in one **year** and continues into the next **year**.

We will write to the **main member** or **dependant** having **treatment** (when aged 16 and over) to tell them who to pay their **excess** or **co-insurance** to, for example, their **consultant, therapist or treatment** facility. The **excess** or **co-insurance** must be paid direct to them – not to **Bupa**.

You should always make a claim for **eligible treatment** costs even if **we** will not pay the claim because of your **excess** or **co-insurance**. Otherwise the amount will not be counted towards your **excess** or **co-insurance** and you may lose out should you need to claim again.

E2 How the excess or co-insurance applies to your benefits

Unless **we** say otherwise on your *membership certificate*:

- **we** apply the **excess** or **co-insurance** to your claims in the order in which **we** process those claims
- when you claim for eligible **treatment** costs under a **benefit** that has a benefit limit your **excess** or **co-insurance** amount will count towards your total benefit limit for that **benefit**
- the **excess** or **co-insurance** does not apply to Cash benefits.

Excess and co-insurance examples

The following are examples only. You should check your *membership certificate* to see how your **excess** or **co-insurance** applies to you and your **benefits**.

Example of how an annual fixed excess works: this is an example only and assumes that all costs are **eligible treatment** costs and:

- an **excess** of £50 a **year**
- an **out-patient** benefit limit of £500 a **year**.

Example	Excess
Out-patient benefit limit for the year	£500
You incur costs for out-patient physiotherapy	£250
We pay your therapist	£200
We notify you of excess amount you pay direct to your therapist	£50
Your remaining out-patient benefit limit for the rest of the year	£250
Your remaining excess for the rest of the year	£0

Example of how a rolling excess works: this is an example only and assumes that all costs are *eligible treatment* costs and:

- a rolling **excess** of £100 in any 12 month period
- an **out-patient** benefit limit of £500 a **year**
- that you join the **scheme** on 1 January 2020.

Example	Excess
Out-patient benefit limit for the year	£500
On 1 March 2020 you incur costs for out-patient physiotherapy	£150
We pay your therapist	£50
We notify you of excess amount you pay direct to your therapist	£100
Your remaining out-patient benefit limit for the rest of the year	£350
Your remaining excess until 1 March 2021.	£0
As you have paid your excess in full you will not have to pay an excess towards any further claims you make until 1 March 2021 when your excess will then return to the full amount of £100	

Example of how a co-insurance works: this is an example only and assumes that all costs are *eligible treatment* costs and:

- a **co-insurance** of 20% up to a maximum of £500 each **year**
- an **out-patient** benefit limit of £500 a **year**.

Example	Excess
Out-patient benefit limit for the year	£500
You incur costs for out-patient physiotherapy	£250
We pay your therapist 80%	£200
We notify you of the 20% co-insurance payment you pay direct to your therapist	£50
Your remaining out-patient benefit limit for the rest of the year	£250
Your remaining maximum co-insurance for the rest of the year	£450

Benefits

This section explains the type of charges **we** pay for **eligible treatment** subject to your medical condition, the type of **treatment** you need and your chosen medical practitioners and/or treatment facility all being eligible under your **benefits**.

Notes on benefits

The following notes apply equally to all the benefits and should be read together with those benefits.

Restrictions and/or limitations to benefits

Your cover may be limited or restricted through one or more of the following:

- If you are a **moratorium member**
- If you are an **underwritten member**: please note, if **you** and/or **your dependants** are an **underwritten member**, it is important that **you** complete and send **us** the **application form** for **you** and/or for **your dependants** if the **special conditions** section of **your membership certificate** states that **we** require **you** to do so. Until **you** have completed this **we** will not be able to confirm exactly what **your** policy covers **you** and/or **your dependants** for, meaning your claims might take longer for **us** to process or you might not be eligible to claim for **treatment** you need
- **Benefit limits**: these are limits on the amounts **we** will pay and/or restrictions on the cover you have under your **benefits**. Your **membership certificate** shows the benefit limits and/or restrictions that apply to your **benefits**
- **Excess or co-insurance**: these are explained in rule E in the section 'Claiming'. Your **membership certificate** shows if an **excess** or **co-insurance** applies to your **benefits**. If one does apply, your benefit limits shown on your **membership certificate** will be subject to your **excess** or **co-insurance**
- **Overall annual maximum benefit**: this is a limit on the overall amount **we** will pay under your **benefits** each **year**. Your **membership certificate** shows if an **overall annual maximum benefit** applies to your **benefits**. If one does apply, your benefit limits shown on your **membership certificate** will be subject to your **overall annual maximum benefit**. Your **excess** and/or **co-insurance** will count towards your **overall annual maximum benefit**
- If the Open Referral service applies to your **benefits**: check within the 'Group Details' section of your **membership certificate** to see if the Open Referral service applies to your **benefits**. If it does, you must be referred for **treatment** either:
 - by **our** Direct Access service (if you have cover for it), or
 - by obtaining an open referral from a **GP**. You should then call **us** to pre-authorise your **treatment** and **we** will help you find:
 - a **fee-assured** consultant in **our** list of Open Referral Network **consultants** that applies to your **benefits**, or
 - a **recognised practitioner** in your local area.

Failure to call **us** to obtain pre-authorisation for your **treatment** means that you will be responsible for paying for all such **treatment** if **we** would not have pre-authorised it. The Open Referral service does not apply to referral for a child. For full details of the Open Referral service please see 'A step-by-step guide to making a claim' in the 'Claiming' section of this membership guide.

- Exclusions that apply to your cover: the general exclusions are set out in the section 'What is not covered'. Some exclusions also apply in this section and there may also be exclusions on your **membership certificate**.

Being referred for treatment

Your consultation or **treatment** must follow an initial referral by:

- **our** Direct Access service, if you have cover for it. For details about cover for Direct Access and how it works see the section 'Direct Access service'
- a **GP**, or
- another healthcare practitioner. The situations in which **we** will accept such a referral are set out on bupa.co.uk/referrals

Direct Access service

Important: You are only covered for Direct Access when the 'Further Details' section on your **membership certificate** says it is covered and if it is, it will also say which medical conditions Direct Access is available for. If you do not have cover for any Direct Access you should ignore all references to Direct Access in this membership guide.

If you do have cover for **our** Direct Access service, it can help provide a fast and convenient way for you to access **eligible treatment** for certain medical conditions without the need for a **GP** referral. Age limits apply to who can use the service. Further details about the Direct Access service, including the age limits that apply, can be found on bupa.co.uk/direct-access or you can call **us**.

Please note:

- **if you are an underwritten member**, before a referral for **treatment** can be made through **our** Direct Access service you may need to provide **us** with certain information to establish that your condition is not a **pre-existing condition** (please see 'B2 Providing us with information' in the 'Claiming' section of this guide for full details)
- **if you are a moratorium member**, before using the Direct Access service you will need to follow the standard process for claiming to establish that your condition is not a **moratorium condition** (please see 'If you are moratorium member' under A1 in the Claiming section of this guide for full details)
- **if monetary limits apply to your benefits for out-patient consultations and therapies** and you have used all the **out-patient benefits** available to you for the **year** you can still use the Direct Access service but any **out-patient** consultations or therapies you are referred for would not be covered under your **benefits**.

The charge for any telephone assessments required as part of **our** Direct Access process will not:

- erode your **out-patient** benefit limit if you have one, nor
- be subject to your **excess** or **co-insurance** if they apply to your cover.

However, if you have an **overall annual maximum benefit**, the charge will count towards your **overall annual maximum benefit**.

If you go on to receive and claim for **eligible treatment** following referral by **our** Direct Access service, that **treatment** will be treated as a normal claim under your cover.

Bupa recognised medical practitioners and recognised facilities

Your cover for **eligible treatment** costs depends on you using certain **Bupa** recognised medical and other health practitioners and **recognised facilities**.

Please note:

- the medical practitioners, other healthcare professionals and **recognised facilities** you use can affect the level of **benefits we** pay you
- certain medical practitioners, other healthcare professionals and **recognised facilities** that **we** recognise may only be recognised by **us** for certain types of **treatment** or treating certain medical conditions or certain levels of benefits
- the medical practitioners, other healthcare professionals and **recognised facilities** that **we** recognise and the type of medical condition and/or type of **treatment** and/or level of benefit that **we** recognise them for will change from time to time.

Your **treatment** costs are only covered when:

- if the Open Referral service does not apply to your **benefits**: the person who has overall responsibility for your **treatment** is a **consultant**. If the person who has overall responsibility for your **treatment** is not a **consultant** then none of your **treatment** costs are covered – the only exception to this is where a **GP** or **our** Direct Access service refers you for **out-patient treatment** by a **therapist, complementary medicine practitioner or mental health and wellbeing therapist**
- if the Open Referral service does apply to your **benefits**: the person who has overall responsibility for your **treatment** is a **consultant** in **our** list of Open Referral Network **consultants** that applies to your **benefits**. If the person who has overall responsibility for your **treatment** is not in **our** list of Open Referral Network **consultants** that applies to your **benefits** then none of your **treatment** costs are covered – the only exception to this is where a **GP** or **our** Direct Access service refers you for **out-patient treatment** by a **therapist, complementary medicine practitioner or mental health and wellbeing therapist**
- the medical practitioner or other healthcare professional and the **recognised facility** are recognised by **us** for treating the medical condition you have and for providing the type of **treatment** you need.

Changes to lists

Where **we** refer to a list that **we** can change, it will be for one or more of the following reasons:

- where **we** are required to by any industry code, law or regulation
- where a contract ends or is amended by a third party for any reason
- where **we** elect to terminate or amend a contract, for example because of quality concerns or changes in the provision of facilities and/or specialist services
- where the geographic balance of the service **we** provide is to be maintained

- where effectiveness and/or costs are no longer in line with similar treatments or services, or accepted standards of medical practice, or
- where a new service, **treatment** or facility is available.

The lists that these criteria are applied to include the following:

- **advanced therapies**
- **appliances**
- **consultant fees schedule**
- **critical care units**
- **fee-assured consultants**
- **medical treatment providers**
- **prostheses**
- **recognised facilities**
- **recognised practitioners**
- **schedule of procedures**
- **specialist drugs**
- Open Referral Network **consultants**.

Please note that **we** cannot guarantee the availability of any facility, practitioner or **treatment**.

Reasonable and customary charges

We only pay reasonable and customary charges for **eligible treatment** performed by **recognised practitioners** in the **recognised facility** available under your cover. This means that the amount **we** will pay medical practitioners, other healthcare professionals and/or **treatment** facilities for **eligible treatment** will be in line with what the majority of **our** members are charged for similar **treatment** or services. If you see a **consultant** who does not charge within **our** benefit limits without prior approval from **us**, **we** will fund up to the limits in **our consultant fees schedule**. The schedule will change from time to time.

Details of the schedule can be found at bupa.co.uk/codes

If there is another proven **treatment** for your condition which is available in the **UK**, that is more costly than the **treatment** that the majority of **our** members receive and does not provide a better clinical outcome, **we** will fund what the majority of **our** members are charged for similar **treatment** or services.

benefit 1.6 out-patient monitoring and management of chronic conditions

You are only covered for this benefit if your **membership certificate** shows it is covered.

Call **us** to check that your proposed **treatment** is eligible under your **benefits**. Please remember that any costs you incur for **treatment** that is not eligible under your **benefits** are your responsibility.

We pay for eligible monitoring and management received as an **out-patient** for a **chronic condition**, other than an acute flare up of that condition, on the same basis as **we** pay for **treatment** as an **out-patient** as set out in benefits 1.1, 1.2, 1.3 and 1.4. **We** only pay as set out in those benefits and **we** only pay up to the limit that applies to benefit 1.6 as shown in your **membership certificate**.

You remain entitled to benefits for **eligible treatment** arising out of a **chronic condition**, or acute symptoms of a **chronic condition** that flare up, as set out under Exception 1 to Exclusion 6 Chronic conditions in the section 'What is not covered'. Such **eligible treatment** is not paid under this benefit 1.6 so will not affect your benefit limit for this benefit 1.6.

Please note: **we** do not pay for any **treatment** for a **mental health condition** under this benefit 1.6 – please see Benefit 5 in this section for **mental health treatment**.

Under this benefit 1.6 **we** also do not pay for any:

- **treatment** that is excluded by the terms of this policy (including the section 'What is not covered' in this membership guide) such as, but not limited to, Exclusion 3 Allergies, allergic disorders or food intolerances, Exclusion 14 Drugs and dressings for out-patient or take-home use and complementary and alternative products, and Exclusion 26 Sleep problems and disorders

For the purposes of this benefit 1.6 only, eligible monitoring and management means:

 - are consistent with generally accepted standards of medical practice and representative of best practices in the medical profession in the **UK**
 - are clinically appropriate in terms of type, frequency, extent, duration and the facility or location where the services are provided, for example as specified by NICE (or equivalent bodies in Scotland) in its guidance on specific conditions or **treatment** where such guidance is available
 - are demonstrated through scientific evidence to be effective in improving health outcomes, and
 - are not provided or used primarily for the expediency of you or your consultant or other healthcare professional

and the services or charges are not excluded under your **benefits**.

Being treated in hospital

Benefit 2 Consultants' fees for surgical and medical hospital treatment

This benefit 2 explains the type of **consultants' fees we** pay for **eligible treatment**. You are not covered for any benefits that are either shown on your **membership certificate** as 'not covered' or do not appear on your **membership certificate**.

benefit 2.1 surgeons and anaesthetists

We pay **consultant** surgeons' fees and **consultant** anaesthetists' fees for **eligible surgical operations** carried out in a **recognised facility**.

If your **treatment** does include an **eligible surgical operation we** only pay **consultant** physicians' fees if the attendance of a physician is medically necessary because of your **eligible surgical operation**.

If your **benefits** include cover for **cancer treatment** and your **treatment** does include **eligible treatment** for **cancer we** only pay **consultant** physicians' fees if the attendance of a **consultant** physician is medically necessary because of your **eligible treatment** for **cancer**, for example if you develop an infection that requires **in-patient treatment**.

Benefit 3 Recognised facility charges

This benefit 3 explains the type of facility charges **we** pay for **eligible treatment**. The **benefits** you are covered for, including your **facility access** and the amounts **we** pay are shown on your **membership certificate**. You are not covered for any benefits that are either shown on your **membership certificate** as 'not covered' or do not appear on your **membership certificate**.

Important: the *recognised facility* that you use for your *eligible treatment* must be recognised by *us* for treating both the medical condition you have and the type of *treatment* you need otherwise benefits may be restricted or not payable.

benefit 3.1 out-patient surgical operations

We pay *recognised facility* charges for *eligible surgical operations* carried out as out-patient *treatment*. *We* pay for theatre use, including equipment, *common drugs, advanced therapies, specialist drugs* and surgical dressings used during the *surgical operation*.

benefit 3.2 day-patient and in-patient treatment

We pay *recognised facility* charges for *day-patient treatment* and *in-patient treatment*, including *eligible surgical operations*, and the charges *we* pay for are set out in 3.2.1 to 3.2.7.

Using a non-recognised facility

If, for medical reasons, your proposed *day-patient treatment* or *in-patient treatment* cannot take place in a *recognised facility* *we* may agree to your *treatment* being carried out in a treatment facility that is not a *recognised facility*. *We* need full clinical details from your *consultant* before *we* can give *our* decision. If *we* do agree, *we* pay benefits for the *treatment* as if the treatment facility had been a *recognised facility* and when you contact *us* *we* will check your cover and help you to find a suitable alternative treatment facility that is recognised by *Bupa*.

benefit 3.2.1 accommodation

We pay for your *recognised facility* accommodation including your own meals and refreshments while you are receiving your *treatment*.

We do not pay for personal items such as telephone calls, newspapers, guest meals and refreshments or personal laundry.

We do not pay *recognised facility* charges for accommodation if:

- the charge is for an overnight stay for *treatment* that would normally be carried out as *out-patient treatment* or *day-patient treatment*
- the charge is for use of a bed for *treatment* that would normally be carried out as *out-patient treatment*
- the accommodation is primarily used for any of the following purposes:
 - convalescence, rehabilitation, supervision or any purpose other than receiving *eligible treatment*

 - receiving services from a *therapist* or *complementary medicine practitioner* or *mental health and wellbeing therapist*.

We do not pay for extra nursing services in addition to those that the **recognised facility** would usually provide as part of normal patient care without making any extra charge.

For information on drugs and dressings for out-patient or take-home use, please also see 'Exclusion 14 Drugs and dressings for out-patient or take-home use and complementary and alternative products' in the section 'What is not covered'.

- the **intensive care** is carried out in the **critical care unit**, and
- it follows your planned admission to the **recognised facility** for private **eligible treatment**.

If you are receiving private **eligible treatment** which does not routinely require **intensive care** as part of that **eligible treatment** and unforeseen circumstances arise that require **intensive care** we will only pay for the **intensive care** if you are receiving your private **eligible treatment** in a **recognised facility** and either:

- the **recognised facility** is equipped with a **critical care unit**, and your **intensive care** is carried out in that **critical care unit**, or
- the **recognised facility** is not equipped with a **critical care unit** but has a prior emergency protocol agreed with another local **recognised facility** that is equipped with a **critical care unit** and you are transferred under that prior emergency protocol and your **intensive care** is carried out in that **critical care unit**

in which case your **consultant** or **recognised facility** should contact us at the earliest opportunity.

If you want to transfer your care from an **NHS** hospital to a private **recognised facility** for **eligible treatment**, we only pay if all the following conditions are met:

- you have been discharged from an **NHS critical care unit** to an **NHS** general ward for more than 24 hours, and

- it is agreed by both your referring and receiving consultants that it is clinically safe and appropriate to transfer your care, and
- **we** have confirmed that your **treatment** is eligible under your **benefits**.

However, **we** need full clinical details from your **consultant** before **we** can make **our** decision.

Please remember that any **treatment** costs you incur that are not eligible under your **benefits** are your responsibility.

- not payable at the same time as any other NHS cash benefit for **NHS treatment**, and
- only payable once even if you have more than one **eligible treatment** on the same day.

For **cancer treatment** taken by mouth **we** pay this benefit CB6.2 at the same time as another NHS cash benefit you may be eligible for under your **benefits** on the same day.

We pay this NHS cash benefit as follows:

- for each day you receive radiotherapy and/or proton beam therapy in a hospital setting

We only pay NHS cash benefit if your **treatment** would otherwise have been covered for private **out-patient treatment**, **day-patient treatment** or **treatment** at **home** under your **benefits**.

Where **we** refer to '**cancer treatment** taken by mouth' **we** mean:

- chemotherapy, or
- one of the following biological therapies:

 - blood cell growth factors
 - cancer growth blockers
 - drugs that block cancer blood vessel growth (anti-angiogenics)
 - immunotherapy (including Interferon and Interleukin 2)
 - gene therapy, or
 - hormonal therapy

that can only be prescribed under a consultant's supervision and is not available from a **GP** and which you take by mouth.

What is not covered

This section explains the **treatment**, services and charges that are not covered under Bupa Select. The exclusions are grouped under headings. The headings are just signposts, they are not part of the exclusion. If there is an exception to an exclusion this is shown. In the exceptions where, as an example, **we** refer to specific treatments or medical conditions these are examples only and not evidence that it is covered under your **benefits**.

This section does not contain all the limits and exclusions to cover. For example the benefits set out in the section 'Benefits' also describe some limitations and restrictions for particular types of **treatment**, services and charges. There may also be some exclusions on your **membership certificate**.

This section does not apply to Cash benefits CB2 to CB5 as set out in the section 'Cash benefits'.

Exclusion 1 Ageing, menopause and puberty

We do not pay for **treatment** to relieve symptoms commonly associated with any bodily change arising from any physiological or natural cause such as ageing, menopause or puberty and which is not due to any underlying disease, illness or injury.

Exclusion 2 Accident and emergency treatment

We do not pay for any **treatment**, including immediate care, received during a visit to an **NHS** or private accident and emergency (A&E) department, urgent care centre or walk-in clinic.

We also do not pay for any **treatment** received following an admission via an **NHS** or private A&E department, urgent care centre or walk-in clinic until after you are referred by a **consultant** for **eligible treatment** in a **recognised facility**. In these circumstances, before you receive any **treatment**, you should contact **us** as soon as reasonably possible to confirm whether your **treatment** is covered under your **benefits** as you are responsible for any costs you incur that are not covered under your **benefits**.

Please also see 'benefit 3.2.4 intensive care' in the section Benefits and the exclusion 'Intensive care (other than routinely needed after private day-patient or in-patient treatment)' in this section.

Exclusion 3 Allergies, allergic disorders or food intolerances

We do not pay for **treatment**:

- to de-sensitise or neutralise any allergic condition or disorder, or
- of any food intolerance.

Once a diagnosis of an allergic condition or disorder or food intolerance has been confirmed **we** do not pay for any further **treatment**, including **diagnostic tests**, to identify the precise allergen(s) or foodstuff(s) involved – this means, for example, if you are diagnosed with a tree nut allergy **we** will not pay for further investigations into which specific nut(s) you are allergic to.

Exclusion 4 Benefits that are not covered and/or are above your benefit limits

We do not pay for any **treatment**, services or charges that are not covered under your **benefits**. We also do not pay for any **treatment** costs in excess of the amounts for which you are covered under your **benefits**.

Exclusion 5 Birth control, conception, sexual problems and gender reassignment

We do not pay for **treatment**:

- for any type of contraception, sterilisation, termination of pregnancy
- for any type of sexual problems (including impotence, whatever the cause)
- for any type of assisted reproduction (eg IVF investigations or **treatment**), surrogacy, the harvesting of donor eggs or donor insemination
- where it relates solely to the **treatment** of infertility
- for gender reassignments

or **treatment** for or arising from any of these.

Please also see 'Pregnancy and childbirth' in this section.

Exclusion 6 Chronic conditions

We do not pay for **treatment** of **chronic conditions**. By this, we mean a disease, illness or injury which has at least one of the following characteristics:

- it needs ongoing or long-term monitoring through consultations, examinations, check-ups and/or tests
- it needs ongoing or long-term control or relief of symptoms
- it requires rehabilitation or for you to be specially trained to cope with it
- it continues indefinitely
- it has no known cure
- it comes back or is likely to come back.

Exception 1: We pay for **eligible treatment** arising out of a **chronic condition**, or for **treatment** of acute symptoms of a **chronic condition** that flare up. However, we only pay if the **treatment** is likely to lead quickly to a complete recovery or to you being restored fully to your previous state of health, without you having to receive prolonged **treatment**. For example, we pay for **treatment** following a heart attack arising out of chronic heart disease.

Please note: in some cases it might not be clear, at the time of **treatment**, that the disease, illness or injury being treated is a **chronic condition**. We are not obliged to pay the ongoing costs of continuing, or similar, **treatment**. This is the case even where we have previously paid for this type of or similar **treatment**.

We do not consider **cancer** as a **chronic condition**. We explain what we pay for **eligible treatment** of **cancer** in 'Benefit 4 Cancer treatment' in the 'Benefits' section of this guide.

Exception 2: If your **benefits** include benefit 1.6 Out-patient monitoring and management of chronic conditions, we pay for eligible monitoring and management of a **chronic condition** as set out in benefit 1.6.

Please also see 'Temporary relief of symptoms' in this section.

Exclusion 7 Complications from excluded conditions, treatment and experimental treatment

We do not pay any **treatment** costs, including any increased **treatment** costs, you incur because of complications caused by a disease, illness, injury or **treatment** for which cover has been excluded or restricted from your membership. For example, if cover for diabetes is excluded by a **special condition**, and you have to spend any extra days in hospital or a treatment facility after an operation because you have diabetes, **we** would not pay for these extra days.

We do not pay any **treatment** costs you incur because of any complications arising or resulting from experimental **treatment** that you receive or for any subsequent **treatment** you may need as a result of you undergoing any experimental **treatment**.

Exclusion 8 Contamination, wars, riots and terrorist acts

Before the rehabilitation starts you must have **our** confirmation that the above criteria have been met and **we** need full details from your **consultant** before **we** can determine this. When all the above criteria have been met **we** pay up to a maximum of 21 consecutive days' rehabilitation.

Exclusion 10 Cosmetic, reconstructive or weight loss treatment

We do not pay for **treatment** to change your appearance, such as a remodelled nose or facelift whether or not it is needed for medical or psychological reasons.

We do not pay for breast enlargement or reduction or any other **treatment** or procedure to change the shape or appearance of your breast(s) whether or not it is needed for medical or psychological reasons, for example, for backache or gynaecomastia (which is the enlargement of breasts in males).

We do not pay for any **treatment**, including surgery:

- which is for or involves the removal of healthy tissue (ie tissue which is not diseased), or the removal of surplus or fat tissue, or

Exception 2: We pay for one course/one set of **eligible surgical operations** to restore the appearance of the specific part of your body that has been directly affected:

- by an accident, or
- if your **benefits** include cover for **cancer treatment**, as a direct result of surgery for **cancer**.

We only pay if all the following apply:

- the accident or the **cancer** surgery takes place during your current continuous period of being a member under this **scheme** and/or a member of another **Bupa** scheme and/or a beneficiary of a trust administered by **Bupa** eligible to receive benefits for this type of **treatment** provided there has been no break in your being a member of this **scheme** and/or member and/or beneficiary as applicable, and
- this is part of the original **eligible treatment** resulting from the accident or **cancer** surgery.

Before any **treatment** starts you must have **our** confirmation that the above criteria have been met and **we** need full clinical details from your **consultant** before **we** can determine this. **We** do not pay for more than the one course/ one set of **surgical operations** or for repeat cosmetic procedures.
